### A message from Mrs Hulme:

Dear Parents and Carers,

As we come to our final half term this school year, something very different to that of 2021, it is hoped that you were all able to enjoy the festivities last week in honour of Queen Elizabeth II's Jubilee. It was a vivid reminder that we are part of a hugely diverse community and one to be extremely proud of. With this in mind, we hope to have a memorable end to the school year culminating in the summer Fayre for all to participate and enjoy. This is to be held on Saturday 9th July. Let's hope we get maximum support in both helpers and visitors and enjoy the singing of our children with other entertainment and attractions too.

Please keep your eye on the publicity communications that will be shared weekly.

### **PARKING NOTICE!**

I am writing to you regarding parking in the surrounding areas of the school.

As part of the travel plan for both schools, we have stated a commitment to walking to school whenever possible.

However, in recent weeks we have had a number of complaints about inconsiderate parking and some confrontation with parents who are parking inappropriately. This has come from both private parties and London Borough of Sutton.

This is a big request to you all to please park further away and take the opportunity to walk especially in the fine weather months.

Please **do not** park in front of anyone's drive or on private land. This could result in a parking fine, something that we don't wish for you.

As a school, we need to respect our community and be leaders in working in harmony together, whilst educating our children to make good decisions in the future.

Thank you for your cooperation in this matter with the knowledge that you always respond positively to these requests.

### **School Property**

#### **Junior School Bollard Lighting on Pathway**

Many of the bollard lights have damage caused by users of the path leaning on/pushing against/playing around and even jumping over! Broken units not only look unsightly but when damaged, could potentially expose the sealed units housing electrical parts.

Repairs are costly and met from the school's budget, our main source of funding for pupil teaching and learning.

All users, please respect school property and supervise children on the path, explaining why it is important not to touch the bollard lighting. Thank you for your continued support/co-operation.

# News for the week

We had a great crew kick start our half term parkrun with the following athletes taking part - Aaron, Finley, Louis, Reuben, Poppy, Oliver, Daisy and Charlotte. A massive well done to everyone who took part and so great to see two new faces involved. We are hopeful that these wonderful runners continue to inspire others to take part in this event. Don't forget, it's every Sunday morning at Nonsuch Park at 9am.

## Sports News

On Wednesday afternoon, St Mary's hosted All Saints Primary School on the St Philomena's school field. The boy's B football team played a fantastic game with lots of goals! The game finished 4-4 and the boys played brilliantly throughout. The girls had a successful netball match winning 8-0. The girls showed fantastic sportsmanship against a new All Saints team and even got the chance to try out some new positions. Well done to all those who took part!
